# MIXTO™ LATEX

## OUR SPECIALLY ENGINEERED BLEND

Our most popular and widely used product, Mixto Latex is an advanced latex blend specially formulated with the finest in natural latex. Years of perfecting the formulation have resulted in a cost-effective option that delivers the same level of pressure relief, luxurious support, durability and breathability as our Natural latex.

### Delivering comfort in 5 levels of firmness:

Firmness Level	Ultra Soft	Soft	Med Soft	Medium	Firm
<b>ILD</b>	11	13	19	23	31

*Manufactured using the finest materials and Perpetua™, our proprietary continuous-pour process*

*Made with natural latex for a healthy night's sleep*

*A sustainable, eco-friendly choice*

*Excellent buoyancy and conforming support*

*Same plush, luxurious comfort as our Natural latex*

We are dedicated to providing the mattress industry with the highest quality in sustainably sourced, American-made latex cores, toppers, mattresses and sleep accessories. Our company never settles — on customer service, on quality or on comfort. That's why we invented, patented and continue to perfect Perpetua, our proprietary latex continuous-pour process. Our advanced process is based in science that's leading the industry and specially designed for a better night's sleep.

## Each Mountain Top Foam product family delivers:

*Responsive comfort, contouring to the body's movement throughout the night*

*Enhanced pressure relief on sensitive areas*

*Uplifting support for a weightless, unsinkable feeling*

*Breathable for the perfect sleeping temperature*

*Resists breakdown and body impressions for long-lasting durability year after year*

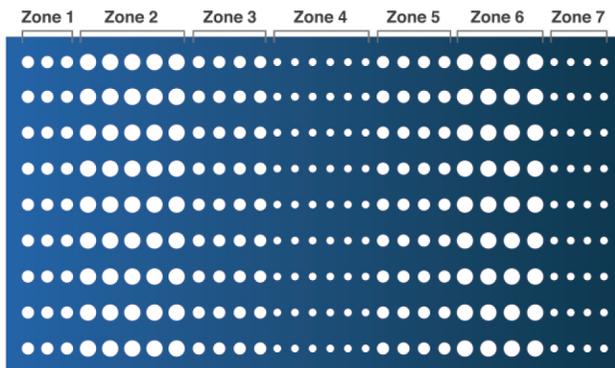

*An eco-friendly choice*

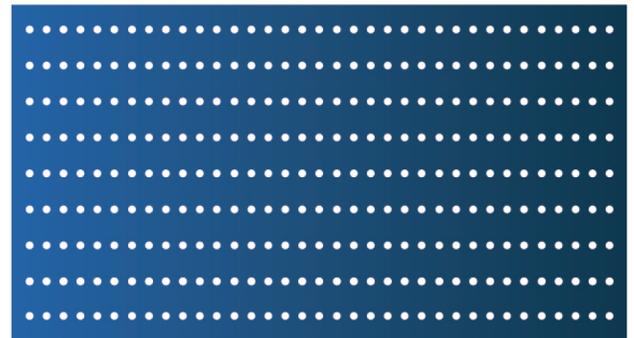

## The Seven Zones of Comfort

Our proprietary Seven-Zone Design creates the optimal combination of pressure relief and support. With our design, your mattresses will deliver increased support in the much-needed lumbar region, while gently enveloping areas like the shoulders, hips and thighs.

## Our Mono-Zoned Option

Our Mono-Zone Design was created for those who prefer a consistent feel across the entire surface. It delivers incredible comfort and support from head-to-toe.
