We are dedicated to providing the mattress industry with the highest quality in sustainably sourced, American-made latex cores, toppers, mattresses and sleep accessories. Our company never settles — on customer service, on quality or on comfort. That's why we invented, patented and continue to perfect Perpetua, our proprietary latex continuous-pour process. Our advanced process is based in science that's leading the industry and specially designed for a better night's sleep.

THE SPECIALTY COLLECTION

DELIVERING UNIQUELY MARKETABLE BENEFITS

Copper and Gel Infused Latex

Benefits of copper gel:

Enhanced support for a more comfortable sleep

Wicks heat away from the body

Advanced supportive and cooling properties

Graphite Infused Latex

Benefits of graphite:

Improved fire retardant properties, which can reduce the need for chemicals or fire-socks

Adds additional strength for a more durable material

Natural cooling properties dissipate heat
